

2019 – 2020 Immunization Requirements

Your child will not be permitted to attend school without the necessary immunizations.

New York State Public Health Law, Section 2164 requires that schools will not permit a child to attend school **unless** the parent provides the school with a certificate of immunization from your health care provider, health department, or official copy of the immunization record from the child's previous school. A NYSIS record is also acceptable. The **exact date** each immunization was given must be included in the record.
