the 2023-24 school year!

PARENTS AND CAREGIVERS:

Are your child's vaccines up to date? NYS mandates certain vaccines are required for school. If vaccinations are not updated by September 21, 2023, students will not be allowed to attend school in accordance with NYS Public Health Law 2164.

Your child's doctor can answer questions about your child's vaccine status.

Can't get an appointment? Call the Erie County Immunization Clinic at (716) 858-7687.

You can also get one at any Well Now or Immediate Care locations near you. Walk-ins and appointments are available.
